

SOCIAL MEDIA TOOLKIT FOR PARTICIPANTS

Thank you for your interest in the Kidpower Safety Leadership Challenge!

This Toolkit includes images and information to make it easy to share about the Challenge.

Email challenge@kidpower.org to ask about editing or co-branding - or about any other questions or needs!

Feel free to use the images as-is in social media, email, newsletters, etc. along with your own message about the Challenge. Again, please check with us about possible edits!

The images do not have an order - and you can use just one, or a few, or NONE!
